**79A Keeping in touch days**

(1) This Subdivision does not prevent an employee from performing work for his or her employer on a keeping in touch day while he or she is taking unpaid parental leave. If the employee does so, the performance of that work does not break the continuity of the period of unpaid parental leave.

(d) the employee has not already performed work for the employer or another entity on 10 days during the period of leave that were keeping in touch days.

The duration of the work the employee performs on that day is not relevant for the purposes of this subsection.

**79B Unpaid parental leave not extended by paid leave or keeping in touch days**

If, during a period of unpaid parental leave, an employee:

(a) takes paid leave; or

(b) performs work for his or her employer on a keeping in touch day; taking that leave or performing that work does not have the effect of extending the period of unpaid parental leave.
