## **81 Transfer to a safe job**

- (1) This section applies to a pregnant employee if she gives her employer evidence that would satisfy a reasonable person that she is fit for work, but that it is inadvisable for her to continue in her present position during a stated period (the *risk period*) because of:
  - (a) illness, or risks, arising out of her pregnancy; or
  - (b) hazards connected with that position.
  
- (6) Without limiting subsection (1), an employer may require the evidence to be a medical certificate.
