81 Transfer to a safe job

- (1) This section applies to a pregnant employee if she gives her employer evidence that would satisfy a reasonable person that she is fit for work, but that it is inadvisable for her to continue in her present position during a stated period (the ***risk period***) because of:
 - (a) illness, or risks, arising out of her pregnancy; or
 - (b) hazards connected with that position.

- (5) If the employee's pregnancy ends before the end of the risk period, the ***risk period*** ends when the pregnancy ends.
